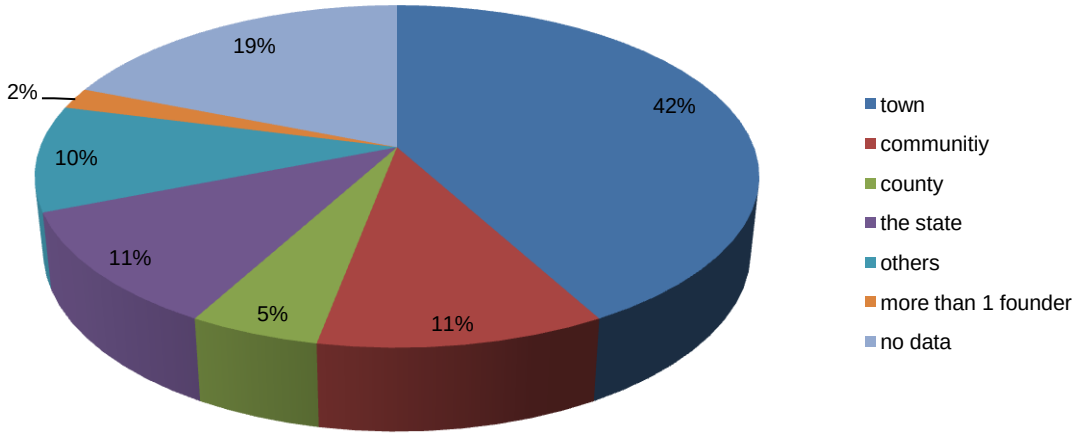
Museum statistics overview, 2012

Number of entries (units) in the Register of Museums, Galleries and Collections in the Republic of Croatia: 281
Number of museums: 277
Register A: 178 institutions
Register B: 42 institutions
Register C: 57 institutions

The change of number of museums in comparison with the previous statistical overview is the result of the revision of museum status based on collected data and field work during 2012-2013.

Museum founder, 2012



Source of data: Register of Museums, Galleries and Collections in Croatia, Museum Documentation Center, 2013.

Author: Ivona Marić

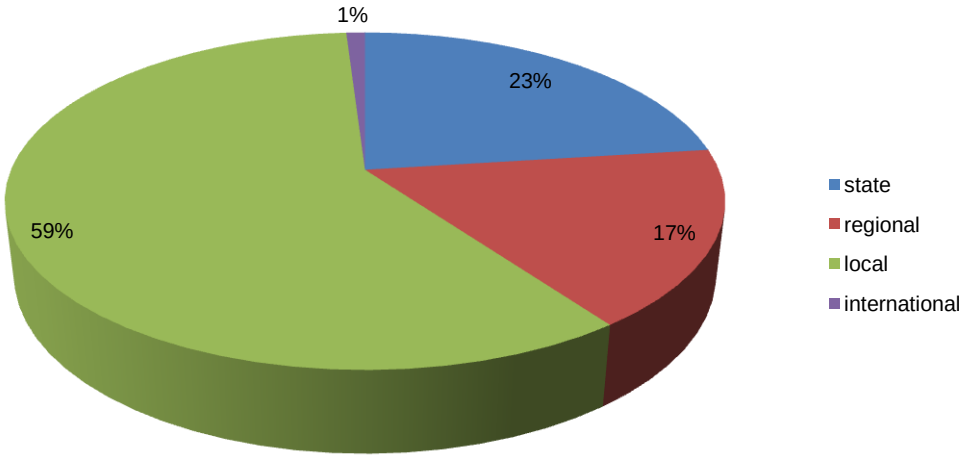
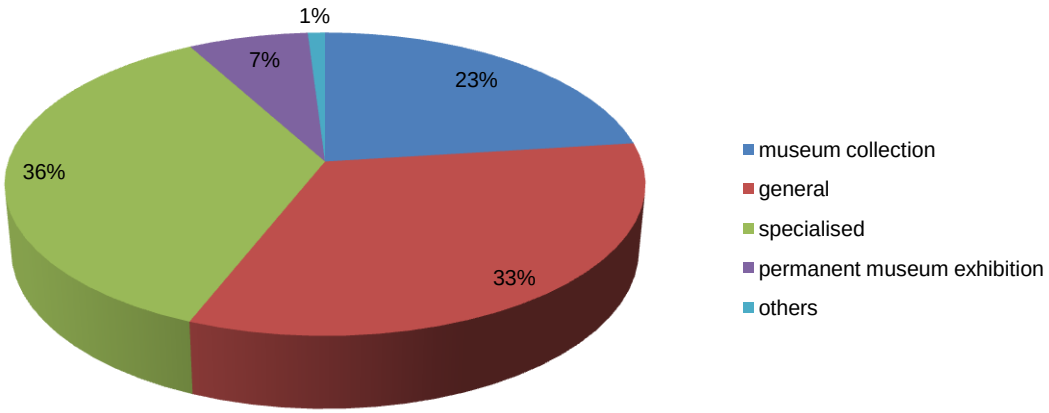
Scope of activities, 2012



Type of museum, 2012

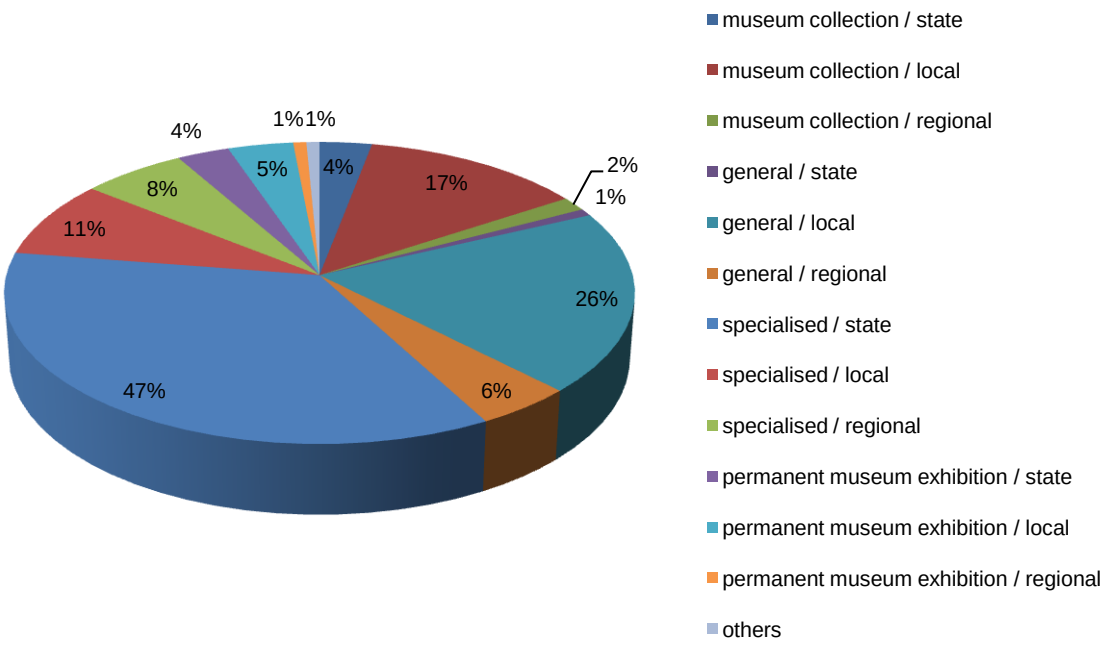


Source of data: Register of Museums, Galleries and Collections in Croatia, Museum Documentation Center, 2013.

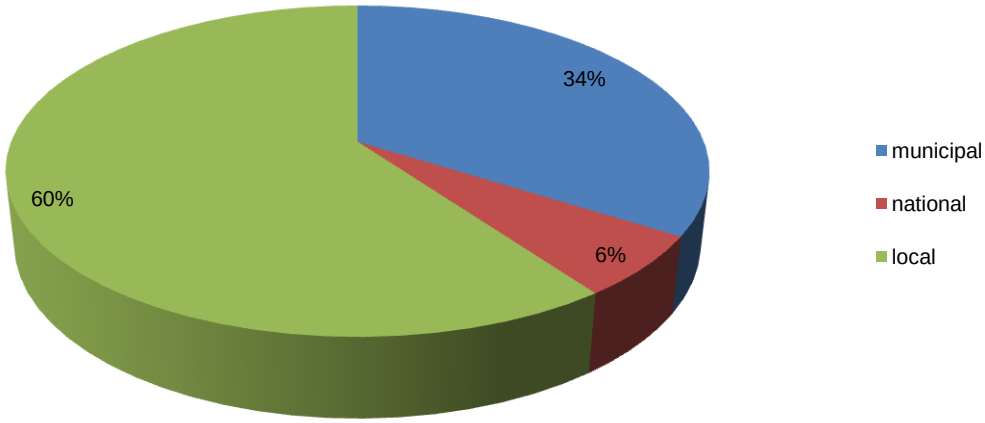
Author: Ivona Marić

The users of data are obliged to quote the source of data.

Type of museum / scope of activities, 2012



General museums / types, 2012

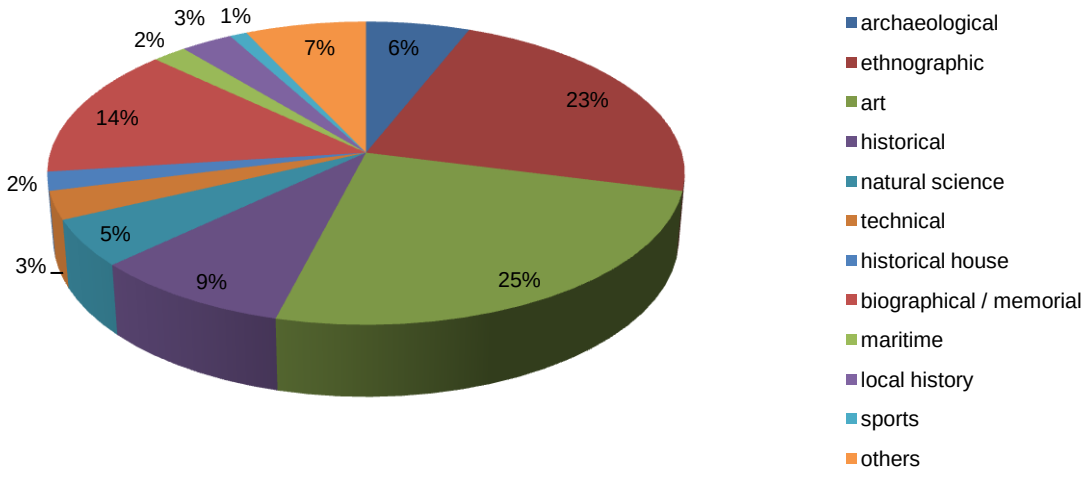


Source of data: Register of Museums, Galleries and Collections in Croatia, Museum Documentation Center, 2013.

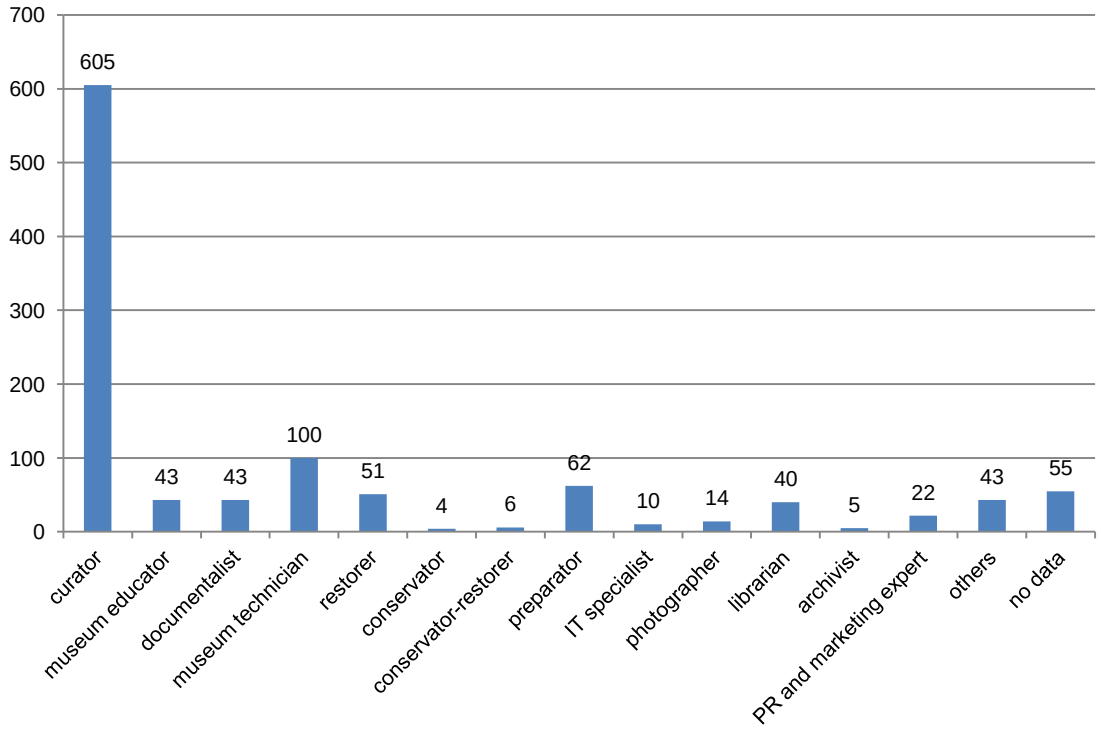
Author: Ivona Marić

The users of data are obliged to quote the source of data.

Specialised museums, museum collections, permanent exhibitions/ types, 2012



Museum staff / according to the professional title, 2012



Total number of professional museum staff: 1050

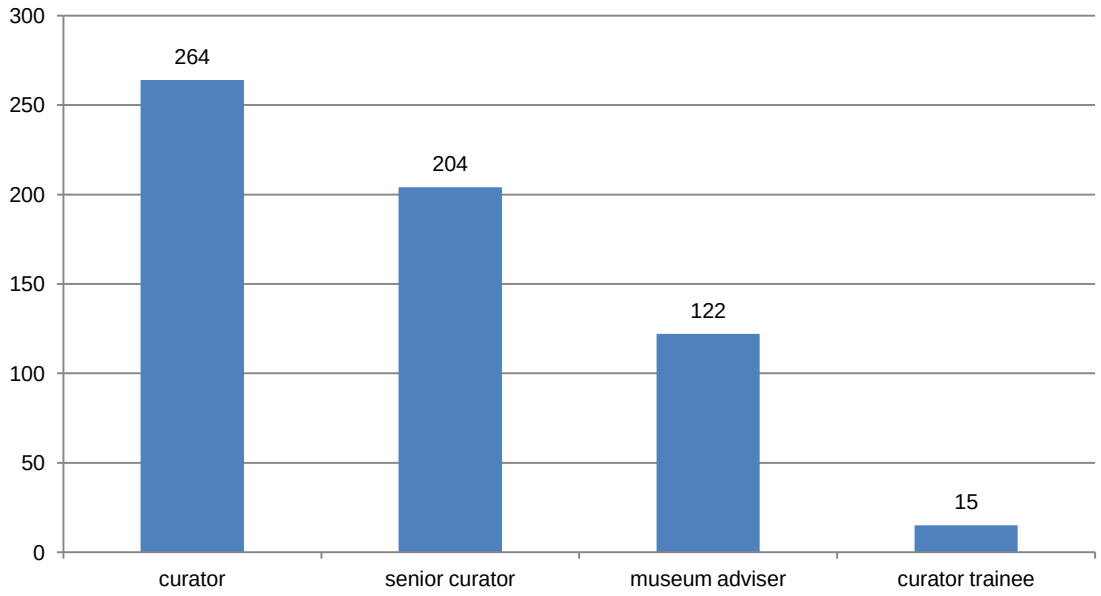
(*NB*: The data does not include administrative and ancillary technical staff. Since some of the museum employees have two professional titles, they are counted two times, for that reason the total number of professional titles from the chart exceeds the total number of professional museum staff)

Source of data: Register of Museums, Galleries and Collections in Croatia, Museum Documentation Center, 2013.

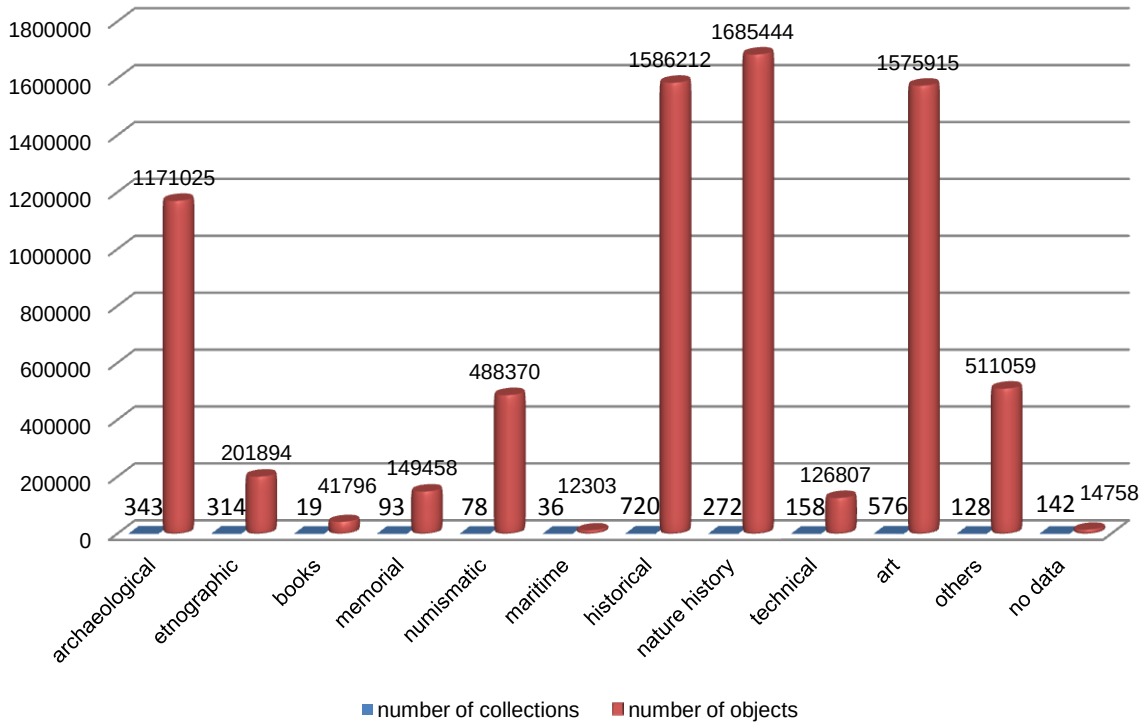
Author: Ivona Marić

The users of data are obliged to quote the source of data.

Curators, senior curators, museum adviser, 2012



Museum collections, 2012



Number of museum collections: 2,398

Total number of museum objects: 6.718,606

Number of inventoried objects: 3.043,583 (45%)

Recorded in database: 1.600,794 (24%)

(*NB:* some of the collections in the chart are counted in two or more categories – types of collection)

Source of data: Register of Museums, Galleries and Collections in Croatia, Museum Documentation Center, 2013.
